

To Our Customers,

In light of the COVID-19 pandemic, we are reaching out to you to assure you that the situation is being monitored closely and regularly at Patriot Forge Co.

As a critical member in a number of vital supply chains, we recognize our obligation to take steps to ensure that we are able to maintain our capability to serve our customers. Patriot Forge has put a business continuity plan into place and continues to take steps to keep its employees safe and its facilities fully operational.

The Ontario Government has closed non-essential businesses in the Province however, Patriot Forge and its supply chain is on the list of Essential Services and will continue to operate.

The relevant sections of the Provincial Essential Services List are provided below for your information.

*19. Businesses that extract, manufacture, process and distribute goods, products, equipment and materials, including businesses that manufacture inputs to other manufacturers (e.g. primary metal/ steel, blow molding, component manufacturers, chemicals, etc. that feed the end-product manufacturer)*

*20. Businesses, facilities and services that support and facilitate the two-way movement of essential goods within integrated North American and Global supply chains.*

By practicing social distancing, keeping exposure to the general public to a minimum, and execution of our COVID-19 specific continuity procedures, we are all actively engaged in assisting in the effort to fight the spread of COVID-19 and ensuring that Patriot is able to meet the needs of the critical supply chains that we serve.

During these challenging times, Patriot Forge will continue to collaborate with our customers in order to ensure that we navigate this pandemic successfully.

Sincerely,
